Checkout/Labs

Your students may checkout laptops and equipment at all Huskertech locations for a period of up to one week.
go.unl.edu/laptopcheckout

Computer Labs locations can be found at:
go.unl.edu/labinfo

Classrooms

Information Technology Services designs, refreshes and supports all AV equipment in General Purpose (GP) classrooms.
We provide teaching tools that are consistent from building to building.
Wherever your class is, you can be confident in the room's abilities.

Secure IT.

https://its.unl.edu/security/

Passwords

- Never share your password.
- Use a password of at least ten characters and try using a pass phrase.
- Don't use the same password on multiple sites.
- Keep your passwords secret.
- Use the Unversity's provided password manager.

go.unl.edu/passwords

Two-Factor

Two-factor authentication enhances the security of your online accounts by using your smartphone to verify your identity.

- Install the Duo mobile application for improved usability and security.

go.unl.edu/2FA

Phishing

- The university will never ask you for your login, or passwords, or other personal information.
- Phishing scam emails may claim to be "urgent", contain links/ attachments, or appear to be sent from a colleague or co-worker.
- Report suspicious emails from your inbox with one click by using the "Report Phish" add-in.

go.unl.edu/phishing

Personal Devices

Recommendations for securing your personally owned device.

- Use a supported Operating System.
- Enable Automatic Software Updates.
- Install University Anti-Malware software (free for students/faculty).
